You may opt-out at any time from marketing communications. In respect of existing clients, we will only market our own products and services to you provided that such products and services are similar to products and services you already receive and you are given the opportunity to object. NIBC will not provide your contact details to any third party (with the exception of third parties as described in paragraph 2.12). We may also use non-functional cookies on our websites for marketing and advertising purposes ("marketing cookies"), as explained in paragraph 2.2 under (i).

products or potential employment opportunities and to assess advertising campaigns), consent (as obtained from prospective clients or clients who e.g. decide actively to sign up to newsletters which include content relating to products and services which are not similar to the products and services they already receive or clients who actively sign up for a newsletter in respect of which they have previously opted out or from website visitors in respect of marketing cookies that apply to them), legal obligations.

g. To defend our legitimate interests and to change our business structure ► we may disclose Personal Data in connection with legal proceedings or investigations anywhere in the world to third parties, such as public authorities, notaries, lawyers, liquidators, law enforcement agencies, regulators and third party litigants (these third parties are not Data Processors on behalf of NIBC and will Process Personal Data for their own purposes). NIBC may also provide your Personal Data to any potential acquirer of or investor in any part of NIBC's business for the purpose of that acquisition or investment.

- **Use justification:** contract performance, legal obligations, legal claims, legitimate interests (to enable us to cooperate with law enforcement and regulators and to allow NIBC to change its business). For the Processing of Criminal Personal Data, please see below under "*For what purposes does NIBC Process Criminal Personal Data?*"

More information on the balancing of interest test performed when we base a Processing of Personal Data on our legitimate interests is available upon request (please see paragraph 4.2 below for our contact details).

2.5 For wat purposes does NIBC Process Criminal Data?

NIBC actively participates in incident registers and early warning systems for the financial sector (insofar as this is permitted by applicable law), including the EVR (Extern Verwijzingsregister) of the SFH (Stichting Fraudebestrijding Hypotheken) and of the NVB (Nederlandse Vereniging van Banken), as well as the incident register and IVR (Intern Verwijzingsregister) of NIBC. For this purpose, NIBC may, if and to the extent necessary, Process Criminal Personal Data. The purpose of an incident register or early warning system is, among other things, to protect the interests of the financial sector as a whole, as well as NIBC's customers, by, for example, uncovering fraud. NIBC may further Process Criminal Personal Data to conduct certain checks on you, such as know your customer (KYC) checks, anti-money laundering (AML) checks, and anti-fraud checks before we establish a relationship, and where required, during our relationship with you. Please note that NIBC has a licence from the Autoriteit Persoonsgegevens (the Dutch data protection authority) to Process Criminal Personal Data according to the Protocol Incidentenwaarschuwingssysteem Financiële instellingen (PIFI), which enables NIBC to exchange data on incidents, such as fraud and deception, with other financial institutions which take part in the PIFI.

- **Use justification:** NIBC shall only Process Criminal Personal Data when such Processing is authorised by applicable law. NIBC participates in incident registers and early warning systems that are under the control of an official authority.

2.6 For what purposes does NIBC Process Special Categories of Personal Data?

NIBC will not request you to provide any information in relation to your current or previous medical condition or your religious and philosophical beliefs. Only if you deem such information relevant (for example if changes in your medical condition prevent you from fully complying with your obligations or, for example, when you indicate a dietary requirement from which this information can be derived, when you want to participate in a specific NIBC event) and pro-actively provide it to us and provide your explicit consent to Process such information, may this information be processed by NIBC.

- **Use justification:** NIBC may only Process the abovementioned Special Categories of Personal Data with your prior explicit consent.

NIBC will never ask for any other Special Categories of Personal Data unless it is required through a legal obligation.

2.7 Monitoring and recording of e-mails and (phone) communication

For the purposes described above, in particular in order to comply with our legal obligations as a regulated financial institution, NIBC's systems may monitor and record telephone, e-mail, voicemail, Internet and other communications. In certain areas of the bank incoming telephone calls may also be recorded for training purposes and to ensure the quality of advice given by telephone. In such instances NIBC will inform you at the start of the conversation about the fact that a telephone call may be recorded and for

which purposes the call will be recorded. Monitoring and recording is only carried out when necessary and justifiable for business purposes.

2.8 How long is Personal Data retained?

Our retention periods for Personal Data are based on business needs and legal requirements. We retain Personal Data for as long as is necessary for the purpose(s) for which the Personal Data was collected, and any other permissible, related purpose. For example, we retain certain transaction details and correspondence until the time limit for claims arising from the transaction has expired, to comply with regulatory requirements regarding the retention of such Personal Data or in the event of ongoing (potential) legal claims. After the expiry of a retention period, Personal Data will be deleted as quickly as possible. In practice, this may mean that Personal Data is retained for a short period after the retention period has expired.

2.9 From where do we collect your Personal Data?

We may obtain Personal Data from you directly or from third parties such as intermediaries, other financial institutions, credit reference and anti-fraud agencies, sanctions and politically exposed person screening lists and public registers.

2.10 Where do we keep your Personal Data?

We primarily store your Personal Data on IT systems located in the Netherlands, the UK, Belgium and Germany. Some of these IT systems are outsourced to third parties. We have also engaged IT service providers who are situated outside the European Economic Area (EEA). All IT service providers act as Data Processors on behalf of NIBC. When we engage such Data Processors, we will ensure that data processing agreements are in place. For more information, please see below under "Do we share your Personal Data?".

If your Personal Data is transferred outside of the EEA we will, if and when necessary, use the EU model contractual clauses or other suitable data transfer mechanisms in order to ensure an appropriate level of protection. Furthermore, NIBC will assess whether any additional measures are necessary to guarantee an appropriate level of protection of your Personal Data. Please do not hesitate to contact our DPO if you wish to receive more information about the appropriate or suitable safeguards in place for data transfers outside of the EEA.

2.11 How does NIBC protect my Personal Data?

NIBC has implemented appropriate technical and organisational measures to secure the Processing of Personal Data. These safeguards will vary depending on the sensitivity, format, location, amount, distribution and storage of the Personal Data, and include measures designed to keep Personal Data protected from unauthorized access. If appropriate, the safeguards include the encryption of communications via SSL, encryption of information during storage, firewalls, access controls, separation of duties, and similar security protocols. We restrict access to Personal Data to personnel and third parties that require access to such information for legitimate, relevant business purposes.

All our staff members, contractors and third parties who will have access to Personal Data on NIBC's instructions will be bound to confidentiality and we use access controls to limit access to individuals that require such access for the performance of their responsibilities and tasks.

NIBC has information security policies in place and its security policies and systems are frequently audited. As a regulated financial institution, NIBC has to comply with strict security requirements. NIBC takes the security of its IT infrastructure very seriously.

2.12 Do we share your Personal Data?

NIBC has engaged various Data Processors for the Processing of your Personal Data on our behalf, including IT service providers, marketing agencies and other business service providers.

Service providers accessing NIBC Personal Data act as Data Processors on behalf of NIBC. Where we engage Data Processors, we will ensure that data processing agreements are in place.

We may also share your Personal Data with other third parties as described in paragraph 2.4 *"For what purposes does NIBC collect your Personal Data and what are our justifications of use?"* and 2.5 *"For what purposes does NIBC Process Criminal Personal Data?"* who act as Data Controllers.

Some of these third parties are situated outside the EEA. If Personal Data is transferred outside of the EEA, this will take place in accordance with the applicable data protection legislation. If and when necessary, we will implement additional legal safeguards governing such transfer, such as the use of EU model contractual clauses (or, if so required, equivalent protections required to comply with the UK GDPR), or other suitable data transfer mechanisms in order to ensure an appropriate level of protection. Furthermore, NIBC will assess whether any additional measures are necessary to guarantee an appropriate level of protection of your Personal Data. Certain (sectors in) countries outside the EEA have been approved by the European Commission as providing essentially equivalent protections as EEA data protection laws. The GDPR and the UK GDPR allow NIBC to freely transfer Personal Data to such countries: as at the date of this Privacy Statement the UK has also approved those same (sectors in) countries as providing essentially equivalent protections as UK data protection laws. Furthermore, NIBC will assess whether any additional measures are necessary to guarantee an appropriate level of protection of your Personal Data. Please do not hesitate to contact our DPO Office if you wish to receive more information about the appropriate or suitable safeguards in place for data transfers outside of the EEA.

Where NIBC discloses Personal Data in response to requests from regulators and law enforcement or security agencies, these regulators and law enforcement or security agencies will be acting as a Data Controller. NIBC will always assess the legitimacy of such requests before disclosing any Personal Data and disclose only the Personal Data required to comply with the request.

WHAT ARE YOUR RIGHTS?

Under the GDPR and/or (if applicable to you) the UK GDPR, you have the following rights in relation to your Personal Data.

- a) Subject Access:** You have a right to be provided with access to any Personal Data held about you by NIBC and to receive certain information about the Processing of your Personal Data.
- b) Rectification:** You can ask us to have inaccurate or incomplete Personal Data corrected or completed.
- c) Erasure:** You can ask us to erase Personal Data in certain circumstances and we will take reasonable steps to inform Data Controllers with whom we have shared your Personal Data that you have requested the erasure of any links to, copies or replication of your Personal Data.
- d) Restriction:** Under certain circumstances, you can ask us to restrict the Processing of (certain) Personal Data.
- e) Portability:** Under certain circumstances, you can ask us to transmit the Personal Data that you have provided to us and we still hold about you to you in a structured, commonly used and machine-readable format, e.g. to be able to send it to a third party.
- f) Raise a complaint:** If you have a complaint about the Processing of your Personal Data by NIBC, we will do our utmost to resolve it with you. You can raise a complaint about our Processing with the data protection authority in your jurisdiction. In the Netherlands, this is the Dutch Data Protection Authority (Autoriteit Persoonsgegevens), in the UK, the Information Commissioner's Office (ICO), in Belgium, the Data Protection Authority (Gegevensbeschermingsautoriteit), and in Germany the respective German State Data Protection Commissioner responsible for your complaint. For relevant contact details, please see paragraph 4.2. below. If you live or work in another country of the European Union, you can file a complaint with the competent supervisory authority in that country.

In addition, under certain conditions, you have the right to:

- where Processing is based on consent, **withdraw your consent**. Please note that the withdrawal of your consent does not affect the lawfulness of the Processing of your Personal Data prior to the withdrawal of your consent;
- object to any Processing of Personal Data that NIBC justifies on the **legitimate interests** legal Processing ground, unless our reasons for undertaking that Processing outweigh any prejudice to your interests, rights and freedoms; and;
- **object to direct marketing** at any time

Please be aware that certain exceptions apply to the exercise of these rights and so you may not be able to exercise these in all situations. Exceptions may include safeguarding the public interest (e.g. the prevention or detection of crime), our interests (e.g. the maintenance of legal privilege) and possible third party interests. If we refuse your request, we will explain the reasons for the refusal.

Please contact our DPO Office should you wish to exercise any of your rights. Depending on the nature of the relationship you have with, or services you receive from, NIBC, you may also be able to exercise these through or as directed by the account portal to which you have access; however you will always also have the right in any event to contact our DPO for this purpose. More generally, any questions regarding NIBC's Privacy Statement can be directed to our DPO.

Please be aware that in order to prevent fraud and misuse, we may need to request specific information from you to help us confirm your identity. We may also contact you to ask you for further information in relation to your request.

We will deal with your request without undue delay and ultimately within a month after receipt of your request, we will inform you whether we can comply with it. This period may be extended by two months in specific cases, for example when a complex request is made. We will inform you of such an extension within one month of receipt of your request.
