LONDON GATWICK AIRPORT

By train you have two alternatives:

1. There is an ordinary train service between London Gatwick Airport and London Bridge train station (the normal UK rail network).

Train times can be found on website: www.nationalrail.co.uk

This is mostly used and is normally quicker.

2. You can also take the Gatwick Express between Gatwick Airport and London Victoria (which is central London) and then take the underground (Circle or District Line - direction East - to Monument).

This option takes a bit longer than option 1. Useful to know, however, if people have meetings in central London.

LONDON CITY AIRPORT

Website with information about London City Airport: www.londoncityairport.com

(Click on 'To and From the Airport' to see all the travel options)

Easiest and quickest route to our office is by Docklands Light Railway (DLR) to Bank tube station (25 minutes).

LONDON HEATHROW AIRPORT

1. **Train.** Take the Heathrow Express from the airport to Paddington Station (central London) and then take the underground (Circle or Hammersmith & City line - direction East - to Liverpool Street Station).
2. **Taxis** can be used but you have to bear in mind that you have to go completely across London, so you have to allow a lot of time for traffic - expensive alternative.
