

The Hague, 15 November 2018

NIBC Capital Markets Update on 29 November 2018

As previously announced, NIBC will host a video webcasted Capital Markets Update on Thursday 29 November 2018. The theme of the day is 'Reflections', and management will reflect on NIBC's strategy, and touch upon global trends in the sector, the rebalancing of our business, and year-to-date financial performance.

The event, to be held in London, will start at 14:00 UK time and end at approximately 17:15 UK time. The presentations will be published on our website at 07:00 CET and the event will be livestreamed over the internet through a video webcast, available on our website <https://www.nibc.com/ir>.

Programme (all UK time)

About NIBC

NIBC is best suited to help entrepreneurs at their decisive moments. Now and in the future. As a bank for entrepreneurs, we are committed to cultivating our 'THINK YES' mentality by being flexible and agile and by matching our clients' can-do attitude. We support our corporate clients in building their businesses. For our retail clients in the Netherlands, Germany and Belgium we offer mortgages, online savings and brokerage products that are accessible, easy to understand and fairly priced. Operating in the Netherlands (The Hague and Amsterdam), Germany and UK, our corporate clients business (mainly mid-market) offers advice and debt, mezzanine and equity financing solutions to entrepreneurs across select sectors and sub-sectors in which we have strong expertise and market positions. The midmarket is dynamic by nature and requires a bank that can respond quickly and in a highly flexible way. Our aim is to meet the market's requirements at decisive moments such as mergers and acquisitions, management buy-outs, investments and strategic financings and re-financings.
